Prowealth is a very professional company and I was very happy to deal with them when purchasing a property. Their staff were extremely friendly and answered all of my questions to a very high standard. Thanks again for your great work and help! Highly recommend!!

### **Angela Hadfield**

I'm still in the early stages of research in regards to purchasing a property and a friend of mine suggested I give pro wealth a call as they helped her massively. Daniel was beyond helpful and went above and beyond in answering every question I had. It really put my mind to ease. Would highly recommend Prowealth for all your investment needs!

### **Marianna Galouzis**

Daniel at Prowealth is very friendly and helpful. He provided me and my family useful tips in property investment. He is always happy to answer questions and show us the property that we are interested. I would highly recommend Daniel if you need someone with expertise in property investment or management.

### **Fiona Lee**

Couldn't have asked for any better customer service Daniel is simply the best cheers mate legend

### **Tyler Williams**

Excellent, efficient service with vast knowledge of the property market and advice on investing.

### **Ray Cheeseman**

Have never had that great experiences in the past regarding property. However, Daniel was absolutely 1st class. My head was spinning with his knowledge (and I think he realized - as he went back through it, even without me asking) Thanks Daniel and your team - we couldn't be happier! Thanks, Damien

I have been meaning to write this review for some time now. From the first phone call we felt safe in Daniels hands. He gave us realistic expectations and helped make it a reality for us. My husband and I are very grateful and have recommended you to our friends and family. Thank you again for all your help.

### **Megan Joy**

Daniel was great! He worked through every aspect with me, answering my many questions along the way. Highly recommend

### **Nicole Winder**

Thank you Daniel for the best advice I have ever found. Looked for ages for the right agent to show me the real facts about investing in property. The report sent to me was excellent and accurate.

### **Anthony Elliott**

Amazing company. Daniel was a star, very knowledgeable and great communication, highly recommended!

### **A Copeland**

Daniel took the hard work out of property investment. My husband and I never thought it would happen but with Daniel's advice and expertise we are well on our way.

### **Katrina Sheard**

Daniel provided a big picture approach to sale of the property while at the same time providing intricate details of the entire sales procedure.
